MON 4 - MON 11 AUGUST | 2025

Why in August | Best week of the year

August is a very special month in our village, marked by the celebration of the cultural week, also known as the emigrants' week.

In the past, it was the moment when all those who had emigrated to the north of Spain or other countries used to come back to visit their beloved ones.

Nowadays, there are lots of activities to do in the village during this week to celebrate the end of the summer.
